REPORT

This report, the fifth Annual Report of the Supervisor of Political Financing, is presented pursuant to Section 13 of the Political Process Financing Act, S.N.B. 1978 c. P-9.3 and covers the activities of my office for the period April 1, 1982 to March 31, 1983.

The Political Process Financing Act establishes general principles of political financing and sets out procedures to ensure that these principles are observed. In particular, the Act:

1) places a limit on political contributions and, with the exception of smaller contributions from individuals, i.e. those of $100 or less, requires full disclosure of the source of each contribution;
2) limits the amount which may be spent to contest an election;
3) provides for the payment of an annual allowance to qualifying political parties from the public treasury. Such allowances are intended to be used for current administration, for propagation of political programmes and to coordinate the political activities of members of the parties;
4) provides for reimbursement of a portion of the election expenses incurred by qualifying candidates;
5) requires complete disclosure of the sources of funds made available to registered political parties, registered district associations and registered independent candidates and the use to which those funds are put.

Responsibility for administering the Political Process Financing Act vests in the Supervisor of Political Financing.

The Act provides for an Advisory Committee consisting of two (2) representatives from each party represented in the Legislature, the Chief Electoral Officer of the Province of New Brunswick and the Supervisor of Political Financing.

The members of the Advisory Committee effectively act as a conduit between the parties and the Supervisor, bringing the problems and concerns of the people involved in the political process to the attention of the Supervisor and giving the Supervisor the benefit of their experience and counsel in the administration of the Act.

The current members of the Advisory Committee are:

Representing the Progressive Conservative Party:
Paul LeBreton
Wallace S. Turnbull

Representing the Liberal Party:
Charles Sargeant
Alie LeBouthillier

Representing the New Democratic Party:
Dee Dee Daigle
Tom Good

The Chief Electoral Officer, Lloyd Nickerson, and myself.

A by-election in Kent North was called on August 4th, 1982 with the date for the election set for September 13, 1982. This by-election was cancelled as a consequence of the issue of the writ for a general election on September 2nd, 1982. The general election was held on October 12, 1982.

In addition to the annual Financial Returns (semi-annual, in the case of registered political parties) required of each district association setting forth the sources of funds and their disposition, the parties and candidates were also required to file Election Period Returns for the 1982 general election.

The Political Process Financing Act imposes spending limits in the contesting of elections and calls for the Official Agent of the candidate (Chief Agent in the case of registered political parties) to submit an Election Period Return setting forth the amount spent in contesting the election. These Election Period Returns

RAPPORT

Le présent rapport constitue le cinquième rapport annuel présenté par le Contrôleur du financement politique en vertu de l'article 13 de la Loi sur le financement de l'activité politique, L.N.B. 1978 c. P-9.3, et traite des activités de mon bureau pour la période allant du 1er avril 1982 au 31 mars 1983.

La Loi formule les principes généraux se rapportant au financement de l'activité politique et établit les règles a observer pour que ces principes soient respectés. Entre autres, elle

1) limite les contributions qui peuvent être faites à des fins politiques et exige une divulgation complète de la provenance de chaque contribution, sauf pour les petites contributions des particuliers, à savoir celles ne dépassant pas $100;
2) limite le montant pouvant être dépensé pour participer à une élection;
3) prévoit le versement, à même le Trésor public, d'une allocation annuelle aux partis politiques autorisés. Ces allocations couvrent l'administration courante, la diffusion des programmes politiques et la coordination de l'action politique des membres;
4) prévoit le remboursement d'une partie des dépenses électorales engagées par les candidats admissibles;
5) prescrit la divulgation complète de la provenance des fonds mis à la disposition des partis politiques enregistrés, des associations de circonscription enregistrées et des candidats indépendants enregistrés, ainsi que l'utilisation faite de ces fonds.

L'application de la Loi sur le financement de l'activité politique incombe au Contrôleur du financement politique.

En vertu de la Loi, il est constitué d'un Comité consultatif de deux (2) représentants de chaque parti élu à l'Assemblée législative, du directeur général des élections de la province du Nouveau-Brunswick et du Contrôleur du financement politique.

Les membres du Comité consultatif assurent la liaison entre les partis et le Contrôleur, font part à ce dernier des problèmes et des préoccupations des gens engagés dans le processus politique, et mettent leur expérience à son service pour le conseiller dans l'application de la Loi.

Les membres actuels du Comité sont:

M. Paul LeBreton
M. Wallace S. Turnbull
qui représentent le Parti progressiste-conservateur;

M. Charles Sargeant
M. Alie LeBouthillier
qui représentent le Parti libéral;

Mad. Dee Dee Daigle
M. Tom Good
qui représentent le Nouveau Parti démocratique;

le directeur général des élections, M. Lloyd Nickerson,
et moi-même.

Le 4 août 1982, une élection partielle était convoquée pour le 13 septembre 1982 dans la circonscription de Kent-Nord. Elle fut cependant annulée plus tard suite à l'émission faite le 2 septembre 1982, d'un bref d'élections générales pour le 12 octobre 1982.

En plus des rapports financiers annuels (semestriels s'il s'agit de partis politiques enregistrés) que doit fournir chaque association de circonscription et qui doit préciser la provenance des fonds ainsi que l'usage qui en a été fait, les partis et les candidats ont dû également présenter un rapport de leurs dépenses pour les élections générales de 1982.

La Loi sur le financement de l'activité politique limite les dépenses électorales et exige que l'agent officiel du candidat (ou l'agent principal s'il s'agit de partis politiques enregistrés) présente un rapport des dépenses électorales. Tous les candidats

are required from each registered candidate and each registered political party.

Our review of the Financial Returns and the Election Period Returns frequently involved considerable follow-up with the official representatives and official agents to obtain explanations and clarifications. In many instances a field audit was required to obtain necessary information to complete our review of the return.

The following schedule attached to this Report contain information extracted from the returns:

The returns submitted by the parties, district associations and candidates are available for examination at my office located at 70 York Street, Fredericton, NB.

The Act appears to be functioning well but from time to time minor amendments are necessary. One area which requires attention is that of election spending limits. These limits, adequate when established in 1978, have been eroded through the continuing decline in the purchasing power of the dollar. It is my intention to bring this matter before the Advisory Committee with a view to making a recommendation for change in due course.

The Office of the Supervisor of Political Financing consists of myself; a part-time assistant supervisor, Mr. J. Philippe Morneault, B.A., L.L.B.; and a full-time bilingual secretary, Mrs. Roseline Bossé.

Mr. E. Neill McKelvey, Q.C. is retained as legal counsel to the Supervisor of Political Financing and the public accounting firm of Clarkson Gordon, Chartered Accountants is retained as advisor on accounting and auditing matters.

I would like to acknowledge the cooperation and assistance provided me by representatives of all parties, district associations and candidates.

enregistrés et les partis politiques enregistrés doivent présenter un rapport des dépenses électorales.

Notre étude des rapports financiers et des rapports des dépenses électorales a souvent nécessité un suivi soutenu auprès des représentants officiels ou des agents officiels pour obtenir des explications et des précisions. Dans bien des cas, une vérification sur place a été requise afin d'obtenir l'information nécessaire pour terminer l'étude des rapports.

Les rapports présentés par les partis, par les associations de circonscription et par les candidats peuvent être examinés à mon bureau, 70, rue York, Fredericton (N.-B.).

La Loi semble bien marcher, quoique des modifications mineures s'avèrent nécessaires de temps à autre. Il faudrait en particulier examiner les dispositions concernant les limites de dépenses électorales. Ces limites, bien qu'adéquates en 1978, ont subi un déclin graduel occasionné par l'érosion du pouvoir d'achat du dollar. Je compte saisir le Comité consultatif de la question en vue de proposer des changements en temps voulu.

Le bureau du Contrôleur du financement politique est composé de trois personnes: un contrôleur adjoint à temps partiel, M.J. Philippe Morneault, B.A., LL.B., une secrétaire bilingue à temps plein, Mme Roseline Bossé, et moi-même.

M.E. Neill McKelvey, c.r., agit comme conseiller juridique auprès du Contrôleur du financement politique, et le cabinet d'experts-comptables Clarkson Gordon est chargé de conseiller le bureau en ce qui a trait aux questions de comptabilité et de vérification.

Je désire remercier les représentants des partis, les associations de circonscription et les candidats de leur aide et collaboration.

Je vous prie de croire à mes sentiments respectueux.

Respectfully submitted,
Respectueusement soumis,

S.E. Field, C.A.
